Ross, we are investigating the propriety of sending this notice to certificateholders who have obtained a benefit from the judgment entered in this matter, asking them to contact Assured directly to discuss settlement. We ask that Wells Fargo not post this notice until we are able to finish our investigation. Thank you.

Adam:

Our client received the attached letter earlier today, in which your client has proposed settlement discussions regarding the interpleader action and requested that the Trust Administrator distribute the letter to all holders and the DTC. We wanted to confirm that you as their counsel were aware of the letter. I would appreciate it if you could get back to me today.

Regards,

Ross
